

Privacy Statement

Our Commitment To Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on our homepage and at every point where personally identifiable information may be requested.

The Information We Collect:

This notice applies to all information collected or submitted on the IDC Global website. On some pages, you can request 1) a site qualification for available connectivity technology and bandwidth options and 2) additional information regarding IDC Global and/or our products, services, and pricing. . The types of personal information collected at these pages are:

- Company Name
- Contact Name
- Address
- Email Address
- Phone Number

The Way We Use Information:

We use the information you provide about yourself and your company only to fulfill the request that has been made. We do not share this information with outside parties except to the extent necessary to fulfill the request.

We use return email addresses to answer the email we receive. Such addresses are not used for any other purpose and are not shared with outside parties.

We use non-identifying and aggregate information to better design our website and to share with advertisers. For example, we may tell an advertiser that X number of individuals visited a certain area on our website, or that Y number of companies located downtown and Z number of companies located in the suburbs filled out our request form, but we would not disclose anything that could be used to identify those individuals.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

How You Can Access Or Correct Your Information

You can correct factual errors in your personally identifiable information by sending us a request that credibly shows error.

To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access to your information or making corrections.

We use this procedure to better safeguard your information.
